

LEMOYNE COLLEGE BOY'S BASKETBALL CAMPS

DEAR PARENTS AND CAMPERS,

The Le Moyne College Basketball Camps are designed to provide campers with personal attention to advance their basketball fundamentals. Under the direction of the Le Moyne Basketball Staff, our emphasis will be placed on individual improvement and team competition. We have assembled an all-star staff of area high school coaches and college players who will teach you during the week. Lessons will also include informative lectures from visiting coaches.

The object of the camp is to learn while having fun, regardless of age, sport experience, or skill level. You will be grouped with other campers with similar athletic backgrounds in the same age group. We will also have eight-foot baskets for our younger Day II campers. The individual instruction you receive will be in small groups and supported with demonstrations and analysis from the coaching staff.

Summer is the perfect time to play sports, meet new friends and experience different adventures. If you want to learn more about basketball and do so in an exciting environment, then this is the camp for you. Register now and get in on the fun!

See you at camp,
Steve Evans, Head Coach
